

Mission Statement:

“Our Center” a place to come, learn and grow with Jacksonville- A place where there is something for everyone. We are committed to growing and expanding our program, our knowledge and our minds as we grow in years.

Come Grow with us!

Thank you for taking the time to visit our website and looking at our events and calendar. Whether you are a Senior or about to be a Senior or searching for services for your loved one in Jacksonville, you have started the first step. I hope that you will find what you are looking for here. I would like to invite you to stop by the Jacksonville Senior Center and visit with us. We may not be here, for we are certainly busy folks and we may be dressed in funny hats or tacky shirts, we may be in the raised garden or maybe playing a crazy game of Farkle or Bingo upon your arrival- so pardon the fun and wave me down. I would love to talk with you and give you a tour of our beautiful center and introduce to our many seniors that come each day.

We provide services for Adults 55 & older so all you younger folks- just hang in there, soon you can start having fun with us each day also. We would love to have you as a volunteer, we can always use a hand. We do try to offer something for everyone no matter what the age, ability or interest. We have a great group of Seniors and Staff and hope to see you soon.

Please feel free to call me with any questions that you may have at (256) 435-9199 or e mail me at amorris [at] jacksonville-al.org. I will be glad to help you.

Andrea Morris
