We're pleased to announce the release of our new, free City of Jacksonville, AL app for iPhone and Android smartphones!

This app will serve as a new way for the organizations to connect with residents and responders, providing information quickly and efficiently to anyone with a smartphone.

The City of Jacksonville app was developed by OCV Apps. The app offers quick access to items of public interest and is easy to use. In just a few clicks, users can access dozens of features, including:

- City calendar, department information and a full staff directory

- Access to community resources and outreach programs
- Account-free access to social media feeds
- Fire prevention information, free smoke alarms and a step-by-step CPR guide from the fire department
- Anonymous tip submission and feedback to our police department
- Many more

The City of Jacksonville app is available for download for free in the App Store and Google Play. Search "City of Jacksonville, AL" or visit <https://apps.myocv.com/share/a66936265> to download today!
